SUBJECT: COINS/DODIIS m.o.u. Meetings

1. I believe we have finally worked out a schedule for our next meetings. Because of the travel plans of George and Jim, we could not arrange a meeting of the entire group before Dec. 7th. Therefore, Dee, Tommy and I will meet at [redacted] at 1000 on Nov. 29th to review a draft to be prepared by Dee based on the results of our last meeting and to attempt to define the remaining issues for resolution by the group. The results of this working session will then be the subject of discussion for a meeting of the entire group to be held at [redacted] at 1000 on Dec 7th.
